Forecast: Saturday, rain or snow  
and colder.

It's the same old story. Dr. Hyatt insists that there is a storm coming, and it will be a snowstorm, too, he emphatically declares. Further, he is sure that it will be accompanied by a cold spell—a real, severe one. Zonites need not think that there will be no more winter, says the doctor, for if they do they will be greatly mistaken. He again says it will rain or snow today and will be colder.

Friday the storm center continued over the north Pacific states, causing rain or snow from Los Angeles to British Columbia and eastward from the north Pacific coast to the Lake region. At time of report rain was falling at Los Angeles and San Francisco, and snow at Rosburg, Portland, Victoria, Spokane, Havre, Rapid City, St. Paul, Sault Ste. Marie and Breton. High barometric pressure, with temperature zero and below, extended over the Rocky Mountain slope, upper Mississippi valley, British North-west Territory and New England.

Rain or snow and colder Saturday is indicated for this locality.

Friday's meteorological record at the local station of the United States weather bureau for the twenty-four hours ending at 5 p. m. was as follows:

Temperature at 6 p. m., 51 degrees; maximum temperature, 52 degrees; minimum temperature, 45 degrees; mean temperature, 50 degrees, which is 22 degrees above normal.

## The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores or ulcers, it is well to insure their healing by applying to them Dr. Pierce's All-Healing Salve. If your druggist does not happen to have this Salve in stock, send fifty-four cents in postage stamps to World's Dispensary Medical Association, Dr. R. V. Pierce, Free, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post. You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine or know's composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate the stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

## New Incorporations

Articles of incorporation of the Ogden Valley Trout and Resort company of Ogden were filed with the secretary of state Friday. The capital stock is \$500,000, divided into 50,000 shares of \$10 each, of which 1400 are paid up by the taking over of property in section 12, township 6 north, range 1 west, Salt Lake base and meridian. Joseph and Frances Barker, Christian and Louis E. Kanger and William W. Browning are the directors.

The Moapa Valley Fruit and Produce company, incorporated with the county clerk with a capital of \$100,000, divided into as many shares valued at \$1 each, which is paid up by the receipt of land situated in Lincoln county, Nevada, to engage in a general fruit and produce business, with headquarters in this city. James A. Melville is president; William D. Livingston, vice-president; H. J. Fitzgerald, secretary and Heber M. Wells, treasurer. T. H. Fitzgerald, with these, completes the directorate.

Fortify the system against disease by purifying and enriching the blood. In other words, take Hood's Sarsaparilla.
